

Replacing The Stand Mount On Your Ultra Series Flash Unit

Stand Mount

- black cast aluminum stand mount with a hole for fitting light stand studs up to 5/8-inch in diameter

Tightening Knob

- gold screw with an attached black twisting knob for tightening

Handlever

- black twisting handlever with an attached handlever screw

Washer

- black nylon flat washer

** The **leather washer** is an optional component - you may wish to remove this item if you are using heavy light modification accessories. Be sure to keep and reinstall the flat metal insert on the Ultra Swivel bracket.*
